

About us

Reliable quality and fair prices that's what the CORNERSTONE production program stands for, and this principle is getting more and more important in an economically difficult environment.

We, CORNERSTONE are one of the leading manufacturers and worldwide exporters of Surgical Instruments, it's a family owned company in manufacturing business since many years.

We, at CORNERSTONE understand the importance of quality in the manufacturing process, that's why we maintain a total quality improvement process in manufacturing throughout our company.

All manufacturing process are continually reviewed by our top management not only to maximize productivity, but also to guarantee that products manufactured meet the highest quality standard and are fit for the intended purposes by all suitable means.

Our peoples are constantly thinking of new and better ways to meet customer requirements and entire satisfaction to have them peace of mind.

Our products and further information are available from our dealers worldwide, and under our website www.corner-stone.biz

We are always at your service.
